

BMGC Post Solo to Silver C Development Syllabus

Useful links and references

The following are links to useful information for either your Bronze C or EASA licence transition. Most of the documents can be found on our website as PDF as well.

Full BGA training syllabus from pre-solo to Bronze C.

<http://www.glidering.co.uk/bgainfo/instructors/documents/BGAGLIDINGSYLLABUS.pdf>

Bronze C

BGA Introduction to the Bronze C requirements

<http://www.glidering.co.uk/bgainfo/bronze-badge.htm>

BGA Study Syllabus

BGA Bronze C – the BGA study syllabus so you know what you have to learn and recommended reading.

<http://www.glidering.co.uk/forms/bronzestudyguide.pdf>

BGA filed landing guidance

BGA guidance on field selection and landing, including the BGA briefing video.

<http://www.glidering.co.uk/bgainfo/competitions/fieldlanding.htm>

BGA Law's and Rules

<http://www.glidering.co.uk/forms/lawsandrules.pdf>

Bronze & Beyond book

Links to the book's author website. If you haven't already I'd get this book. It also has a small quiz on it which is useful. Either from the BGA or this link

<http://www.mccullagh.demon.co.uk/bronze.htm>

Gliding School.com website

Very good and offers help and advice on progressing through to your Bronze C .

It also has practice quizzes for all of the subjects.

<http://glidingschool.com/>

EASA

BGA Introduction to EASA licencing and news

<http://www.glidering.co.uk/bgainfo/licensing/introduction.htm>

BGA – licencing guidance and advise; includes details on medical requirements.
